

## Agreement to Abide by Program Expectations and Regulations

Students enrolled in Johns Hopkins University Summer at Hopkins coursework must comply with the university's undergraduate academic regulations, policies, and procedures governing student life and academic integrity. Rules and regulations provide the basis for a reasonably ordered academic community. Without the personal appropriation of the values they protect, the mere observance of regulations falls short of Johns Hopkins University's expectations. Johns Hopkins University summer online courses have the same expectations for academic rigor, student achievement, and course conduct integrity as face-to-face courses offered by the university.

Please review the following sections and complete forms where necessary:

### Adhere to Johns Hopkins University Policies and Procedures

Students are held accountable to all Johns Hopkins University policies and procedures that govern students. Please review the following policies closely as violations may lead to documented violations and dismissal from courses:

- [Sexual Misconduct Policy and Procedures](#)
